

MANPRIYA DHANJU

149 Rue Claude-Leveillee, Vaudreuil-Dorion, QC | +1(514)-970-3533 | manpriyadhanju@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

- Full-Stack Software Developer with 4+ years of experience in the education technology (EdTech) industry, focused on Developing high-performance web interfaces and tools for modern business education.
- Proven track record of developing intuitive user interfaces, optimizing performance, and integrating APIs to deliver seamless digital experiences for educational platforms.
- Experience collaborating with cross-functional teams to design and implement product features aligned with business and user needs.
- Authorized to work in Canada (Permanent Resident)

TECHNICAL SKILLS

- **Frontend:** React.js, Redux, HTML5, CSS3, JavaScript (ES6+)
- **Backend:** Node.js, Express.js, PHP
- **Database:** MySQL, MongoDB
- **Version Control:** Git, GitHub, GitLab
- **Tools & Platforms:** Postman, VS Code, Figma, Netlify, Vercel
- **Other:** REST APIs, JSON, Responsive Design, Agile Methodology

EXPERIENCE

Full-Stack Developer | Masters' Union

Gurgaon (Gurugram), India | Jul 2021 – Mar 2024

Projects: Dinero, Student-Help Desk, Email-Response Web-App

- Developed and maintained responsive React.js components for the online learning portal, improving usability for 2,000+ active students.
- Built and integrated RESTful APIs for course management, user authentication, and class scheduling, ensuring secure and efficient data flow.
- Collaborated with product and design teams to convert Figma designs into responsive UI components, enhancing student and admin experience.
- Implemented MongoDB and MySQL for data persistence across different modules such as user profiles, course progress, and assessments.
- Followed Agile Scrum methodology, participated in sprint planning and demos, and maintained clean code practices using Git and CI/CD pipelines.

Full-Stack Developer Intern | Masters' Union (Lovely Professional University)

Jalandhar (Phagwara), India | Jan 2021-Jun 2021

- Assisted in building web-based tools for student and admin portals using React.js (frontend) and Node.js (backend).
- Collaborated with the design team to implement responsive UI using HTML5, CSS3, and Figma layouts.
- Contributed to Agile sprint cycles with daily standups, code reviews, and Git-based version control.

Front-end Developer Intern | Lido Learning

Mumbai (Remote), India | May 2020 – Nov 2020

- Contributed to the development of Lido's online tutoring platform, implementing key frontend features using React.js and modern JavaScript.
- Integrated REST APIs to dynamically display courses, class schedules, student progress, and notifications.
- Built reusable UI components and ensured responsiveness across desktop, tablet, and mobile devices.

ACADEMICS

MCA (Computer Application) 2022

D.A.V Institute of Engineering and Technology, India

BSc (Computer Science)

2020

Hans Raj Mahila Maha Vidhalaya, India
